Sub: Announcement on Signing of Contract for Yanbu Aramco Sinopec Refining (YASREF) Co. Ltd.

Dear All,

This is to inform that we have been awarded a Contract with Yanbu Aramco Sinopec Refining (YASREF) Co. Ltd. for YASREF/ YR Clean Fuel Interfacing Facilities Project on LSTK Basis. The order will be executed over a period of 19 months

The project objective is to interface YASREF with the Saudi Aramco Yanbu Refinery to supply low sulphur clean transportation fuel - diesel and gasoline - for domestic distribution. In addition, the pipeline system will also contain provision to transport YASREF refined products to the western regional pipeline hub.

The scope of work includes:

- Two new pipeline systems, 30" x 7 km each, for diesel and gasoline - to be installed to deliver YASREF refined products to Yanbu Refinery (YR) for domestic distribution.
- A dedicated custody metering system for each refined product.
- A new analyzer to be installed inside Yanbu Refinery.
- A new Red / Green dye injection for gasoline to be installed in the Yanbu Refinery premises within the new line from YASREF to Yanbu Refinery's gasoline tanks.
- Modification of three existing kerosene tanks inside Yanbu Refinery by installation of internal floating roofs in order to adequately receive YASREF gasoline.
- Extension of existing SIH Control to house the DCS/ PLC panels and to be equipped with HVAC. Associated civil & structural, firefighting, E&I work and automation work are also to be carried out under this scope.

This is the third contract by YASREF to Dayim Punj Lloyd which is reflective of the strong partnership that has been formed between YASREF and Dayim Punj Lloyd, focusing on quality, safety and successful delivery of projects.

We congratulate the team on this excellent award and anticipate accomplishing the scope with safety and quality!
